Assembly Substitute Amendment 1

Assembly Substitute Amendment 1 (“the Substitute Amendment”) requires the Department of Commerce to provide a designation on every standard building permit form or format to indicate whether insulating concrete forms are used in the construction of the building for which the permit was issued. This would be required to be accomplished no later than the first day of the 12th month after the Substitute Amendment becomes law.

In addition, the Substitute Amendment requires the Department of Commerce to provide a designation to indicate whether insulating concrete forms are being used in the construction of a building on all electronic versions of every standard building permit form or format. This would be required to be accomplished no later than the first day of the second month after the Substitute Amendment becomes law.

Legislative History

Assembly Substitute Amendment 1 was offered by the Assembly Committee on Ways and Means. On February 8, 2006, the Assembly Committee on Ways and Means adopted the Substitute Amendment and recommended the bill for passage, as amended, by a vote of Ayes, 10; Noes, 3.
